Officer George J. Morgan, rookie patrolman of the Arlington police department, captured a 17 year old boy, who admitted to 12 house-breaks in Arlington, after a running quarter of a mile chase Thursday night.

Carol St. Germain, of 103 West ninth street, South Boston was captured at gunpoint after officer Morgan had chased him for over a quarter of a mile, lost him, and then saw him on a street car bound for Arlington Heights. Morgan boarded the Street car and took the lad off at gunpoint.

Thursday night at 10:17 p. m. the resident of 178 Medford Street called headquarters and reported a housebreaker had just leaped off his second story porch and was headed towards Arlington center.

Lt. Frank Meagher, immediately notified all route officers of the incident and sent the patrol cars to the scene.

Shortly after being given the description, officer Morgan spotted a young man, who seemingly answered the description, walking up Mass. Ave., near Railroad St., he stopped the man and questioned him, but received nothing but evasive replies.

Just as Morgan was about to

Approve New Traffic Circle On Parkway

Walter A. Raleigh, Secretary to the Korean Ambassador was evacuated from Korea to Tokyo, with the American legation, last week. Walter is a graduate of Arlington High School and a life long resident of the town. He is a veteran of the 100th Infantry Division which served in Germany during World War II.

Walter was stationed in Seoul with the American Embassy and treated with them from the Korean front. They were forced to abandon Seoul last week and fly to Tokyo.

Several Fires Over Week-End

The past week proved to be a busy one for the Department with Menotomy Rocks Park the scene of five separate calls for apparatus on Saturday afternoon.

Saturday, two box alarms and three telephone calls sent the apparatus to the Park for a fire in a pine grove.

The fire was apparently set by youngsters playing with matches and is one of the most difficult types of fire to fight. The fire burns under the pine needles on the ground and after it appears to be extinguished it breaks out again.

Firemen worked from early afternoon using a truck to carry water back and forth to the engines, before the fire was put out.

Sunday morning a short circuit in the power line of a street car caused the roof to catch fire at the corner of Pleasant Street and Massachusetts Avenue.

Firemen from headquarters extinguished the blaze in short order.

Sunday afternoon the careless disposal of a cigarette caused canvas flooring on the third floor piazza at 969 Massachusetts Avenue to burst into flames.

Firemen answered a box alarm and put the fire out before any appreciable damage could be done.

Four Men Hurt In Falls Here Over Week-End

Four men were hospitalized over the week-end from injuries received when they fell from ladders, porches and roofs.

Ernest T. Foley, an Arlington Postman, fell from the second story porch of his home at 43 Webster Street when the railing reportedly gave way, Saturday afternoon.

He was taken to the Symmes Arlington Hospital to be treated for injuries to his ribs, left shoulder and face.

Gordon Richardson of 128 Lowell Street received injuries to his right leg and shoulder when he allegedly fell from a garage roof which he was repairing at his home, Monday morning.

Monday afternoon, two painters were taken to the Symmes Hospital to be treated for injuries received when their scaffolding reportedly collapsed, after a ladder rung snapped, while they were painting a home at 100 Hillside Avenue.

Tuesday morning, Richard Sorento and Joseph Beuchessne, both of Lexington, were reported in fair condition by hospital authorities.

Child Hit By Truck

Monday afternoon, a three year old girl was taken to the Symmes Arlington Hospital after she had reportedly run from behind a parked car onto Broadway and was struck by a passing truck.

According to Police reports, Elizabeth Mooney, 3, of 74 Allen St., Arlington, was struck by the left front bumper of a truck driven by Richard Egan of Watertown. The accident occurred at the corner of Allen Street and Broadway.

She was taken to the Symmes Hospital by Officer Gerald Duggan where hospital authorities reported she suffered abrasions and contusions of the right forearm, face and left shoulder.

Nine Seek Sixth Senate Post; Seven In Representative Race

Many Rumors On Housing Project Site

The location of the new Veterans housing project is still causing rumors to fly, the latest of which gives rise to the inference that politics are going to play a part in the selection of the new housing site.

Mr. Robert Hauser of the Arlington Housing Authority told the PRESS this week that all of these rumors are nothing but "malicious gossip."

Mr. Hauser said the Arlington Housing Authority will decide on the site after geological surveys of all the land under consideration have been taken.

He went on to say that after all the data connected with land purchase has been assembled it will then be presented to the State Housing authority and they will decide which site the local authority will be authorized to purchase.

Mr. Hauser said there could not be any possibility of politics entering into the situation for various reasons. The first, no one connected with the board has any direct connections with owners of the land to be bought. Second, the land that is purchased will have to meet all the requirements of the State board in regard to price, grading, and work to be done on the property. He gave many other reasons which are too numerous to mention.

Therefore, said Mr. Hauser, folks can disregard to the forthcoming land purchase. When the land is bought the location of the site will be released to the public in the Arlington PRESS. Everyone can rest assured that whatever site is purchased it will be the best one for the Veterans project.

Town Buys Loam Supply

The Arlington Housing Authority announced this week the sale of 7000 yards of surplus loam to the town of Arlington for the token sum of \$4000.

The loam originally destined to be a gift was surplus left from the excavations at the new Veterans housing project.

The State housing authority refused to authorize a gift of the loam and asked that \$4000 be paid as a token bid.

Red Cross First Aid Course Starts

A special Red Cross First Aid course started this week for representatives from the police and fire departments of Greater Boston cities and towns.

There are two representatives attending from each of these departments in the 18 branches of the Boston Metropolitan Chapter of Red Cross. After completing the intensive three week program these men will return to their respective departments and, in turn, teach the men of their local police and fire department standard and advanced Red Cross First Aid.

This course is being held at the Boston Metropolitan Chapter house 17 Gloucester st., and is held in conjunction with civil defense planning throughout Metropolitan Boston.

In training these men who form the local nucleus in times of disaster, the Red Cross is actively participating in the development and operation of the civil defense program.

In strengthening the existing roll of Red Cross in civil defense the Red Cross Regional Blood Center at 314 Dartmouth st., must constantly call for blood donors to aid, not only those ill and injured daily, but to help stock-up derivatives in the event of a nationwide emergency.

The Red Cross Blood Center is open daily, Monday, Wednesday and Thursday from 11 A. M. to 5 P. M., and Tuesday and Friday from 2 P. M. to 8 P. M. for needed blood donations. Call Copley 7-1214 for an appointment.

Residents of Greater Boston communities are urged to inquire of their Red Cross office when the next visit of the Red Cross Bloodmobile will take place in their immediate section and to register at once to donate a pint of greatly needed life-saving blood.

Police and firemen attending the First Aid course include: Arlington—Lt. Albert E. Ryan and Sgt. George Fitzgibbon of the Police Department and Capt. Harry Cooper, of the Fire Department.

"Here's the Pitch" By "Bump" Hadley

WBZ-TV Sportscaster and Former Major League Pitcher

THE BOSTON RED SOX have been playing without Teddy Williams for almost two weeks now, and while the Sox have missed "The Kid's" big bat, it is obvious that his loss hasn't caused the Red Sox to collapse. The next two weeks will tell the story of whether Williams' loss is going to be costly. At the box office, that is. The Red Sox attendance held up well at Fenway Park, without Teddy. But on the road, it may be something else again, because whatever Boston fans may feel about Teddy Williams, it is a fact that Williams is the greatest single attraction in baseball today, and out on the road, the fans flock to the parks to see Williams in action.

Ted's absence should be felt where you'd least expect it. That is to say in St. Louis, Chicago, Washington and Philadelphia. These four teams are completely out of the 1950 pennant races. None of the four has any outstanding star of its own, and so their big drawing power is in the calibre of the opposition. Thus the presence of Williams in the lineup in those four cities can mean anywhere from a couple of hundred to a couple of thousand extra fans. That's where the big fellow really earns his salary. The Red Sox, of course, get a little piece of every ticket sold when they play on the road. Teddy's absence could mean a difference of anywhere from \$500 to \$1000 in the size of the checks Boston will take out of those cities.

Those things don't show in the box score.

Dodgers Win Playoff Game

The largest crowd of the season attended the doubleheader at Spy Pond Field last Saturday as the 4 teams tied for the first half started the playoffs. The cream of young Arlington's youth representing all sections of the town were there and ready.

The first game was no contest as the Red Sox got off to an early lead of 15 runs in the first 4 innings. The game was called after 6 to let the second game get underway. Martens started for the Red Sox and turned in his usual top-notch performance. The Browns were handicapped by injuries and vacations and were unable to field the lineup that played so well earlier in the season.

The second game was a thriller as the Dodgers came from behind in the last inning to upset the highly favored Tigers 4-2. The game started off with a bang as Higgins hit a home run, after Crawford had walked, over the right field fence to send the Tigers 2 up. In the last of the first Dolan walked and stole 2nd and 3rd and when the throw went through 3rd base into short, left he scored on a close play. Then the game settled down into a pitcher duel as Mucci and Dolan kept setting the batters down in order. In the last of the 6th Rivals led off with a single, Toner walker and Dolan hit a sharp drive through short. Here's where the alert Dodger baserunning paid off as the Tigers were slow to field the hit and all 3 Dodgers scored. In the top of the seventh Bielinski reached on the only Dodger error and then Bertolami made a game bid to tie up the game with a long drive. Bert Sweeney made the catch of the day at the base of the wall going away from the plate to end the threat, and the spectators were able to sit down for the first time.

AYA Senior Baseball
The senior loop of the AYA baseball league shot into high gear this week with the Powers-coached Tigers defeating the Red Sox 4 to 2 in a terrific game at Reservoir field Monday night.

The Tigers, who were playoff contenders for the first half, missed their chance to take a playoff crack at the Red Sox by losing a heart-

breaker to the Dodgers in the first playoff game Saturday afternoon at Spy Pond Field.
The Dodgers will now play the final first half playoff game with the Red Sox this Saturday afternoon at Spy Pond Field.
"It was irony," according to coach Powers, "That we should lose to the Dodgers and then come back Monday night and beat the Sox." The Tigers are now leading the league in the second half race for the championship, the only thing in front of them now is the Yanks, who defeated the heavy hitting Cardinal team, Monday night. Should he Tigers down the Yanks it could very well mean undisputed champions of the second half. Results and league standings as of Monday night are:

Cardinals 2 2 1 5
Pirates 2 3 0 4

Warning About Use of Horns

Register of Motor Vehicles, Randolph F. King, today issued an appeal to Massachusetts motorists to be more considerate in the use of auto horns, particularly when used during the night time.

"Complaints are constantly being made to enforcement officials; and to the Registrar's office about unnecessarily loud and raucous blasting of horns, causing extreme annoyance and discomfort to citizens," said Registrar King.

It was pointed out that Massachusetts law prohibits harsh, objectionable or unreasonable use of horns or other signaling devices in thickly settled or business districts, and that many communities have Ordinances or By-laws which specifically forbid the loud, disturbing and unreasonable use of horns or other signaling devices.

Thoughtlessness, lack of consideration and impatience are prime causes of needless horn blowing according to Registrar King, who asks motorists to respect the comfort, quiet, and repose of citizens, the nerves of other motorists, and above all to keep within the laws.

Medford Man To Run For State Senator

Andrew Hawk Zamparelli, civic leader and businessman, today announced his candidacy for the State Senate in the Sixth Middlesex District, which includes most of Medford, Arlington, Winchester, and Woburn.

Medford's tax rate, down a dollar per thousand over last year's rate,

Andrew Hawk Zamparelli is due in large measure to the efforts of Councillor Zamparelli. It was he who sponsored the original move to utilize surplus funds to cut taxes, and it was he who so ordered the City Manager to take such action. The people of Medford where the trend in surrounding cities has been upwards of a dollar and more. As a candidate for Medford's City Council last year under the new Plan E form of government, Mr. Zamparelli promised to "lower taxes... to utilize his proven, native business acumen to effect an IMMEDIATE tax reduction." organization, athletics, and civic and state improvements. Mr. Zamparelli served with the 211th A.A. A., the 78th Infantry Division, and the 311 Infantry Division. He saw action in three campaigns in the European Theater of Operations during World War II, and he holds the Bronze Star and the Purple Heart. Following World War II, after he had successfully established and expanded his business, Mr. Zamparelli was called upon to serve as Post Commander of the V. F. W., Post No. 1012 in Medford. He served in this capacity for three consecutive terms. The former V. F. W. Commander is also a member of the Disabled American Veterans, Chapter No. 63, and the American Legion, Post No. 45 in Medford. His early athletic successes as captain of the Northeastern cross country team, National 10,000 meter champion, New England 10,000 meter champion, and New England ten mile and Intercollegiate champion furthered his interests in the youth movement in Medford, where he was a member of the Medford Youth Commission and a delegate of the NEAAU of America.

His announcement as a candidate for the State Senate to succeed Senator Harris S. Richardson of Winchester in this district was prominent men in public life and civic leaders and organizations who prevailed upon him to seek a higher post so that his talents and abilities might be better rendered to the public weal.

In making his announcement, Councillor Zamparelli said in part: "I stand by my record. The people of Medford have shown such confidence and faith in me as to entertain consideration of the office of State Senator. I realize fully the responsibilities and obligations to the people which such an office holds, and I am prepared now to meet these responsibilities and obligations in the same way I have met them as a City Councillor. I am particularly proud of the role I played in reducing Medford's tax rate. I feel my business background and public service experience in the conduct of municipal affairs

will stand me in good stead in what ever decisions and actions I would be expected to make and take in the conduct of State affairs. I have always believed in honest government, and I know now, despite the many obstacles that a public official must overcome in the performance of duty, honest representation is the only SALVATION of the man who foots the bills, the taxpayer. I want to serve the interests of the people of Medford, Arlington, Winchester, and Woburn on Beacon Hill, and I sincerely hope to be instrumental in legislating in such a way as to guarantee the people of these four communities that active, militant representation which is their just due in the State Senate. I hope to bring about a reduction in public utility rates and to see to it that the Sixth Middlesex District gets its fair share of financial assistance from the Commonwealth with out additional taxation."

Councillor Zamparelli's fraternal affiliations include membership in the Medford Lodge of Elks, No. 915, the Medford Order of the Moose, and the Kiwanis Club. He is recognized throughout the District as the outstanding candidate of either Party to capture the seat which will be vacated by Senator Harris S. Richardson. Primary Day is September 19th.

POLICE—

Morgan followed him over the
wall but fell as he landed in the
parking lot and severely sprained his
ankle. He kept after the escapee
however, and as he nard him on
Prescott street, he threw his club
at the man but missed him.

Hampered by his disabled ankle
the officer was forced to give up the
chase and return to his route to
report the incident.

Morgan spotted officer Gerald
Duggan in the cruising car, when
he came back onto the Avenue, and
informed him of what had hap-
pened. As he was talking to Dug-
gan he looked up and saw his sus-
pect riding on a street car, headed
for the Heights.

Morgan and Duggan went and
stopped the car, and at gunpoint
arrested St. Germain on suspicion
of breaking and entering.

Upon arrival at the station, Ger-
main allegedly to twelve house-
breaks in Arlington, most of them
in the East Arlington sector.

Acting Chief James Flynn in-
formed the PRESS that Germain
has a previous record and that the
department has been looking for
him for some time. It was also dis-
closed that none of the loot taken
from previous housebreaks could be
found.

The Acting Chief along with Sgt.
Philip Sweeney, commended Officer
Morgan for his work. Sgt. Sweeney,
was also commended for being in-
strumental in teaching Morgan and
the rest of his shift proper police
methods.

grounds will march in a parade
starting at Robbins Library, pro-
ceeding down Mass. Ave., through
Arlington Center to Pond Lane,
down Pond Lane to Spy Pond field.
Decorated doll carriages, bicycles
and carts; costumes; gaily colored
umbrellas and a representative
float from each playground will help
to equal and surpass the Circus Pa-
rade of last year.

At the field, there will be a series
of contests judging the doll carriages
and other wheeled entries, cos-
tumes and floats. At the same time boys
and girls field events will be held,
including a 40-yard dash, 3-legged
and sack races, rope jumping and
relays.

Through the efforts of the newly
elected President of the Arlington
Chamber of Commerce, John Wan-
namaker, the Chamber will sponsor
this event by providing prizes for
the 40 different contests that will
be staged and free ice cream for all
the children of the town who have
participated in either the parade,
contests or field events.

SWIM MEET: Friday, July 28,
1950, at Reservoir Beach. This Fri-
day afternoon starting at 1:30
sharp, there will be a Swim Meet
conducted by the Arlington Park
Department for children of the
town of Arlington. Fourteen even-
ings are scheduled starting with a 20
Meters Freestyle for Boys and Girls
7 years old and under, and ending
with four Open Events with no age
limitation. The Kiwanis and Touch-
down Clubs of Arlington have do-
nated medals. Medals will be given
to those coming in first, second and
third.

LET US BE GLAD

It is a beautiful sight to see a profusion of flowers brightening the landscape with brilliant colors. In a well-kept garden or in some remote meadow or woodland an array of blossoms will not fail to win our admiration.

So great is the love of flowers in the human heart that since the beginning of time men have written of their beauty and sung their praises. Gardens grace most of our homes, and where room or climate does not permit, we cultivate blossoms in small containers in our houses.

And what are these fragile things of beauty that gladden our hearts? We can seek the advice of a botanist or an organic chemist, but even then we know that a flower is just one more of God's creations—just one more of the millions and millions of pleasures that He has given us.

For these and all our blessings, let us be glad. Let us go to Church this Sunday and next, and sing His praises.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Seeks Reelection As County Sheriff

Sheriff of Middlesex County, Howard W. Fitzpatrick, today announced his candidacy for nomination and election to that office.

Sheriff Fitzpatrick assumed the duties of his office upon the death of the late Sheriff General Louis E. Boutwell. He brought with him many years of successful business experience as well as many years of experience in charitable, philan-

thropic, hospital, fraternal and veterans activities.

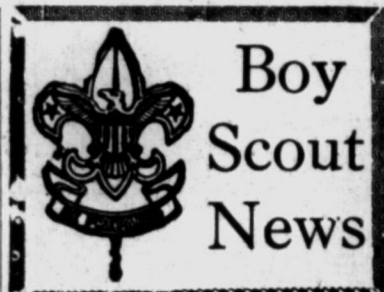

Inmates of both the East Cambridge Jail and the Billerica House of Correction have been treated humanely but firmly with a view toward their rehabilitation. Their spiritual and personal welfare have been guarded by religious accommodations to all, no matter what their creed or denomination may be and the services of qualified and adequate medical and dental accommodations.

Sheriff Fitzpatrick served in the U. S. Marine Corps in World War I. In addition to being a member of many patriotic, business, fraternal and charitable organizations, he is a director of the Malden Trust Company and the Fellowship Co-operative Bank. He is Vice Chairman of the Malden Housing Authority and recently was chairman of the drive to raise a half million dollars for the Malden Hospital.

TOWN NOTES

Mrs. Edward Okerlund, president of Saint John's Women's Guild, was a delegate to the Women's Conference held at Loch Haven, Meredith, N. H., July 10-15.

This fourth annual conference was well attended with representatives from throughout the Massachusetts diocese. There were in groups daily, as well as periods for meditation and recreation in the scenic setting of this beautiful mountain retreat.

The Sixth Annual "Wings of West Point" Explorer Encampment sponsored by Fellsland Council, Boy Scouts of America, will take place at Stewart Field, Newburgh, N. Y., August 5th to 13th inclusive.

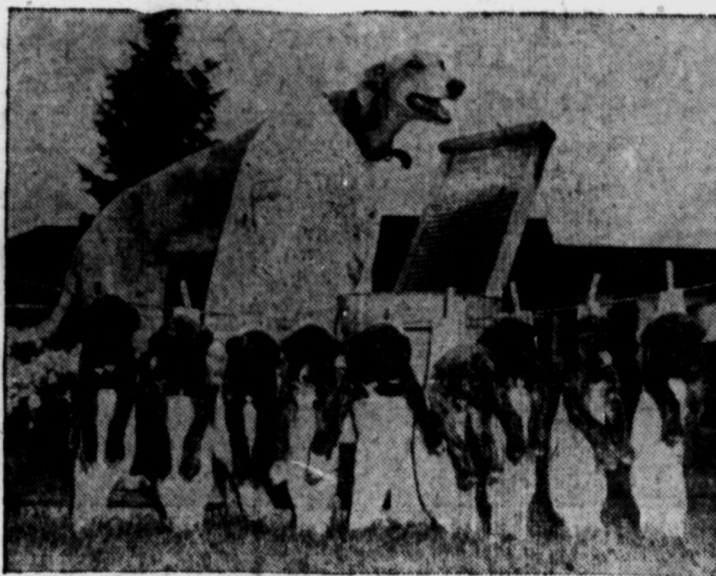

This year for the second time the United States Air Force and the Boy Scouts of America are jointly offering the opportunity to participate in the Annual "Wings of West Point" Air Recampment to ALL Explorer Scouts. Explorer Scouts are boys who are 14 years of age or older and members of a senior unit in the Scouting program. Nine days of valuable experience and thrilling activities at a permanent base of the United States Air Force will be in store for Explorers who make application immediately.

Last year Fellsland Council sent 75 boys to West Point and the project was so successful that the Council has secured approval to open up the project to boys of 12 other districts, including Sachem Council. Because boys are flown, free of charge, to Newburgh, N. Y., from Bedford Air Field by the Army and Squantum Naval Base by the Navy, a maximum quota of 300 has been set.

Every facility used by the United States Air Force Cadets will be used by the Scouts. Meal will be in the Cadet Dining Hall. Quarters will be the brick buildings used by the Cadets. Medical Base Dispensary and hospital facilities will be available as required at no additional expense.

All activities will be carried out under the guidance of the Commanding Officer of Stewart Field, Lt. Col. Hallock Walmsley, and his staff. The local encampment staff will be headed by Allen F. Smith, Encampment Director and Chairman of Senior Scouting for Fellsland Council.

The second week of Camp Sacchem's 1950 season was designated a Wild West week. Beginning with an announcement by scouts dressed as westerners early in the week, the highlights were principally western.

Monday evening a very fine demonstration was put on by the waterfront staff showing the various methods used in water rescue and boat safety.

Tuesday evening the scouts enjoyed seeing their camp mates box in the squared ring. During the day, Wednesday, 50 scouts from various units were taken to the foot of Mt. Monadnock by bus and then climbed the mountain. They returned for upper, eating their lunch on the summit.

During the morning Thursday, a fire drill was staged. The scouts were organized by their unit leaders and in eight minutes a bucket line was pouring water on a designated spot which was supposed to be a fire and a hose line was pouring an inch and a half stream of

water on the supposed blaze.

Friday evening Mr. Robert Hope, well, the camp rifle instructor, showed some very beautiful colored slides of trips he has made to Norway Climbing the Matterhorn in Switzerland, and scenes of the Taj Mahal in India. The pictures and the accompanying talk was enthusiastically received by the campers and staff members alike.

Saturday is the high spot day of the week. In the morning the scouts prepared for the third annual rodeo which is held at Camp each year during Wild West Week. Each troop site depicted a scene or their interpretation of a character from the Wild West.

Supper Saturday night was served from an improvised chuck wagon at the parade ground which had been turned into a corral for the afternoon. The big campfire for the week was held at the Council ring where the advancement awards were made and candidates for the camp honors were chosen. Mr. Felix Leonard, scoutmaster of Troop 21, Watertown, was chosen to receive the Order of the Trail and Quona the brave from the Order of Nikiwigi, whose members from the staff and campers, Mr.

SHRINERS PREPARING FOR MID-CENTURY CONVENTION PROGRAM

BOSTON, MASS.—The call to the Mid-Century Convention of the Ancient Egyptian Arabic Order of the Mystic Shrine, the text of which was released here by Dr. Raymond E. Jackson, Imperial Potentate, declared that "Shriners today as never before, are called upon to render greater service to the peoples of the earth, due to the chaotic conditions extant all over the world."

Dr. Jackson in making the call public said, "No institution can claim for itself greatness that fails to understand the needs of the common people." He pointed out that members of his organization are bringing into proper focus an understanding of the needs in the fields of education, health, civil rights and economic security.

Pointing out that the members of the Shrine Order espouse Justice, truth and the cause of common humanity, Dr. Jackson stated that, "Ones" application of Shrinism's brand of understanding would avoid most of the trouble which has caused confusion in many communities across the nation and in the governments of the world.

Calling on the members of the Order to seek opportunities to harmonize nationalities on a national basis the call read: "We are but 20,000 men in some 142 cities, but if each one of us is an ambassador of goodwill wherever we go we shall exert a wide effect. When we

Herbert Peasley, camp chef, Ted Jenkins, Scoutmaster of Touk Troop; Frances Beer, Jr., leader of Pioneer Troop; Paul Marchant, provisional Scoutmaster of Ballard Troop, and James Shannon of Troop 2 Somerville, Boston Council, who had been at Camp Sacchem with his troop for the first period, were the braves taken into the Nicks.

The archery instructor presented emblems to the best archers from each unit as follows: James Delany, Frontier; Stephen Coffey, Pioneer; Paul Landry, Ranger; Charles Allen, Touk; and Charles Flaherty, Ballard.

sum up the total of all our individual actions we have set out a new role in human relations."

During the Mid-Century Imperial Council sessions, which will be held August 13-18 at Boston, Mass., besides the regular features of Arabic costumed patrols, bands, drill contests and the annual parade there will be the fifth National Beauty and Talent Pageant. Already more than 50 temples have announced entrants in the National Contest with more than four thousand dollars in educational scholarships.

Elected officers of the Shriners, besides Dr. Jackson, are: Zack Alek

WHAT IS A MINUTE MAN?

MINUTE-MAN is a mechanical washer that automatically washes and dries a car. MINUTE-MAN is as far in advance of so-called rapid car washing stations as today's streamlined cars surpass those of the Model "T" era.

HOW DOES IT WASH THE CAR?

MINUTE-MAN concentrates a series of continuously rotating, water sprayed brushes against the front, the top, the sides, wheels and rear of the car. The brushes are made of special soft texture material that will not mar the finish of the finest car.

HOW DOES IT DRY THE CAR?

MINUTE-MAN through a series of specially designed air ducts, delivers drying flow of clean air over the entire exterior of the car. Then, the entire car is wiped down with Turkish towels.

HOW LONG DOES IT TAKE?

MINUTE-MAN, true to its name, washes and dries a car completely, thoroughly and uniformly in a jiffy.

Park Dept. Notes

The wading pool continues to be the main attraction, with many promising young swimmers. Enthusiasm for Parents' Night Wednesday was somewhat dampened by the heavy showers, but those who came had a wonderful evening. Sack race winners were Jack Bass (8) and Paul Salemi (7). George Hurley (12), and Sonny Pigott (11) were on top in the 3-legged event, while Mary Ann Pigott (12) ventured the best games on the number of jelly beans in the jar. Crosby

The wooden puzzles and huge building block set have caught on like wild fire with the younger set. On Parents' Night, Crosby joined forces with North Union St., when the weather frightened away some of its expected visitors, and had a very successful evening. The big event of the week was the gala Costume Show in which a few of the many winners were David O'Brien (3), David Miller (4), and Lawrence Boyington (8). Cutter

Baseball continues to be the main interest of most, but we see that the Ping Pong champs for the week are Paul Roby, and Jackie Flynn, while Neil Beaton carries off the honors in horseshoes, and Billy Richards in checkers. Florence

Activity this week was directed toward preparing for Parents' Night by practicing the 50-yard dash, Potato Sack, and 3-legged races, and perfecting skills for the exhibition Dodge Ball game. In the Father-Son ball game, he 8 to 8 score shows that the teams were pretty evenly balanced despite the age differences. A few of the many race winners were Charls Savage, Jimmy Surrtte, Leo and Bernard McSweeney, Anne Ames, and Donna Steele. Hardy

Volley Ball has been very enthusiastically received during the past week. Wednesday evening while the Fathers and Sons battled it out to a 8 to 8 tie, the Daughters did an exhibition of folk dances, games and relays for the Mothers. Race winners were Ann Fitzgerald (14), Karen Moore (10), and Barbara Herzig (9).

Not even Wednesday evening's showers could dampen Parents' Night enthusiasm here, and the rain tried in vain to extinguish the fires of the Weenie Roast. The amateur show which followed disclosed much young talent. Friday afternoon witnessed an extremely successful Live Pet Show. Proud owners of prize-winning pets were Alan Kirstead (5), Janet Peele, Edith Harmon, and Rosemary LeBlanc.

North Union

The wading pool has been in constant use and much appreciated during the past hot days. Ping Pong Champs for the week are (Midgets) Dana Keefe, (Juniors) Paul Johnson, and (Seniors) Fred Lefare. Friday's Doll Carriage Parade was a very big event with Martha O'Neil and Dianne Kelley the lucky winners.

Robbins

Relay races 3-legged races, and Capture the Flag were the most popular events after Wednesday evening's Weenie Roast. As always a baseball is in the foreground at the Farm with Kenny Heavey (10), and Donny Riley (10) among the Midget stars, and Liz McDonough (14), Joe McCogan (13), and Johnny Cousens (12) outstanding on the Junior roster. Winners at Friday's Doll Carriage Parade were Kay Russo (7), Wendy Meehan (3), Jane Cummings (7), and Dobby Walsh (4). Summer-Pierce

The crafts program at the Pierce school must be a terrific success, as one youngster looked up at the instructor longingly and said, "Gee, I wish I could open a charge." The midgets outstanding player is Albert Gallagher (12). A good crowd showed up for Parents' Night Wednesday considering the threatening weather, and a very colorful Costume Show Friday finished up the week with a bang. Thorndike

The new multi-ls area is certainly getting a lot of use, the sprinkler in particular is getting a vigorous work-out on these hot afternoons. Quite a number of parents braved the inclement weather Wednesday to make Parents' Night a big success, and a very elaborate Doll Carriage and Bike Parade wound up the week's activity. Wellington

Wednesday night's program here included a Weenie Roast, Ping Pong tournament, horseshoe tournament, and a lively kick ball game. Safety Guards for the week are Jack McGovern, Nancy McGurl, Carmen Renaro, and Dick Gilda. Friday's Hat Show brought many unusual creations which showed a lot of preparation by the children. Waldo

The Weenies were burned in many cases on Wednesday evening, but they sure tasted good. The parents proved that they weren't so slow after all in the races, of which the Sack Race seemed to be the favorite. Richie Femia won the Bean Guessing Contest for the second year in a row. (Wonder how he does it?) Friday afternoon's Costume Show brought a fitting end to the week's festivities, with Catherine Roger's (9), Roberta McCalleg (12), and Carol Bonif the lucky winners.

SYMBOL OF STRENGTH

A shining symbol of the U. S. Marine Corps' accomplishments is displayed as the nation's Capitol is reflected in the bell of the instrument of one of the members of the Marine band which broadcasts over Mutual for the people of America each Saturday morning.
